

Guildford Folk Dancers - Printable programme "2-up"

This document contains three pages:

Page 1 – This page of explanation which need not be printed unless you wish to

Page 2 – The front page of the programme

Page 3 – The back page of the programme

Pages 2 and 3 are formatted as "2-up" ie a two copies of the programme on an A4 sheet of paper.

Pages 2 and 3 may be printed "backed" ie on opposite sides of the same sheet of A4 paper. A printer with Duplex printing capability can do this without manual intervention.

A printer without Duplex functionality will require manual intervention. The front page of the programme will need to be printed first. The paper will need to be re-inserted so that the back page of the programme may be printed on the blank side of the paper.

It is advisable to use the Print Preview function of your computer software to ensure that what will be printed is what you intended. This helps to avoid printing in high quality or draft mode when the opposite was required or printing beyond the margins of your printer's capability.

When printed the sheet may be cut horizontally to form two programmes and then folded vertically to reduce it to A6 size for convenience.

About our Club

We meet at Onslow All Saints' Church Hall for our weekly club evenings, and Normandy Village Hall for the Main Saturday Dances, Sunday Tea Dances and Saturday Evening Informal Dances.

This year we are introducing a new event which is

[a Summer Teadance at All Saints Church Hall, Onslow Village, Guildford, GU2 7QJ](#)

We welcome new and experienced dancers of all abilities, either with a partner or alone.

All dances are walked through to gain proficiency before they are performed to music. During the dance the caller repeats the moves as a reminder for dancers.
