

Guildford Folk Dancers - Printable programme “1-up”

This document contains two pages:

Page 1 – This page of explanation which need not be printed unless you wish to

Page 2 – The page of the programme

Page 2 is formatted as “1-up” ie a single copy of the programme on one side of an A4 sheet of paper.

When printed the sheet may be folded along fold lines 1 and 2 to reduce it to A6 size for convenience.

It is advisable to use the Print Preview function of your computer software to ensure that what will be printed is what you intended. This helps to avoid printing in high quality or draft mode when the opposite was required or printing beyond the margins of your printer’s capability.

About our Club

We meet at Onslow All Saints' Church Hall for our weekly club evenings, and Normandy Village Hall for the Main Saturday Dances, Sunday Tea Dances and Saturday Evening Informal Dances.

We welcome new and experienced dancers of all abilities, either with a partner or alone. All dances are walked through to gain proficiency before they are performed to music. During the dance the caller repeats the moves as a reminder for dancers.
